Any financial penalty incurred because of an inappropriate address, collect shipment, early arrival causing reconsignment charges, storage, etc., will be the responsibility of the exhibitor.

14) Where an exhibitor indicates choice of carrier for pickup other than the Official Show Carrier, it is the exhibitor’s responsibility to arrange with said carrier for pickup. If the carrier does not pick up within the time limit for removal of the exhibitor’s material from the exhibit hall, we reserve the right to forward the material by the shipping method of our choice, or to remove the material to our warehouse for disposition - at an additional charge to the exhibitor in accordance with prevailing rates for the service performed.

15) Hollins Exposition Services will not be responsible for material left behind without orders placed at the service desk. Material left behind without orders placed at the service desk may be classified as abandoned.

16) Hollins Exposition Services will not be responsible for any delay of rush shipments. We will expedite rush shipments to the best of our ability, but will not assume any financial responsibility for shipments which do not arrive at their destination at a specified time.

17) EXHIBITORS ARE URGED TO CARRY ALL-RISK INSURANCE covering your materials against damage, loss, and all other hazards; from the time shipments are made prior to the show, until shipments are received back after the show. This can generally be done by adding “riders” to existing insurance policies, often at no additional cost. It is understood Hollins Exposition Services is not an insurer. Insurance, if any, must be obtained by the exhibitor. The amounts payable to Hollins Exposition Services hereunder are based on the value of the material handling services. The scope of Hollins Exposition Services liability is set forth in this document.
