

You may enroll in the complete First Aid/CPR/AED course or you may enroll in either the First Aid or CPR/AED only course. The choice is yours!

Our Safety Consultants will provide your company with qualified, hands-on instruction.

Course books are purchased directly from the Safety & Health Council of NC.

Our Safety Consultants will invoice you separately for the instruction portion of the training.

Don't put off this important course, the life you save may just be a loved one!

First Aid/CPR/AED Courses

The N.C. Statewide Safety Conference, Inc. also offers the National Safety Council's (NSC) Standard First Aid and CPR course.

The 8-hour presentation is taught at the employer site.

An NSC Standard First Aid and CPR textbook is required for each student.

The course is excellent first aid and CPR training for employees with a clear, detailed text supplemented by visual aids.

N.C. Statewide Safety Conference, Inc. has a class minimum of 15 students.

NSC Standard First Aid and CPR textbooks must be ordered at the time of scheduling through the safety representative.

NSC First Aid and CPR Certificates are issued to participants upon completion of the course.
